

Process Engineer

Trinity Manufacturing, Inc. is an expanding market leader in the specialty chemical manufacturing field. The company, located in the Pinehurst area, is in search of a Process Engineer. The successful candidate supports plant and facility operations through: monitoring operating parameters, troubleshooting and resolving issues, implementing operations and maintenance needs. Also, performs assignments related to exiting process improvements and new process implementation.

Candidate requirements shall include: BS in Chemical Engineering, Mechanical Engineering, Electrical Engineering or related field; three to five years related experience and/or training; or equivalent combination of education and experience - preferably in a chlor-alkali chemical manufacturing environment; possess excellent organizational skills and initiative. The candidate shall be capable of supporting plant and facility operations through: monitoring operating parameters, troubleshooting and resolving issues, implementing operations and maintenance needs. Also, performs assignments related to exiting process improvements and new process implementation.

The successful candidate must also complement existing staff with an excellent work ethic and a willingness to contribute ideas and practices regarding safety and learning.

Our facility, located 30 minutes south of the Pinehurst golf community, is uniquely located an equal distance to the Carolina beaches and the North Carolina mountains.

Pre-employment drug/alcohol testing and physical required.

Trinity offers an excellent benefits package including

- Excellent medical and dental insurance to which the company contributes a significant portion of the premium for the employee and family.
- Paid Life Insurance
- Paid short and long-term disability insurance
- 401(k) Retirement Plan - Includes a company match, an annual company safe harbor contribution, and a discretionary profit-sharing contribution. Matching contributions are subject to maximum matching criteria and vesting requirements.
- Relocation package.
- Our final salary offer will be commensurate with your experience.

Trinity Manufacturing Inc. is committed to providing equal employment opportunities without regard to race, color, religion, national origin, marital status, political affiliation, age, disability, veteran status, or sexual orientation, in accordance with federal, state and local law.
